And now you see another me, I've been reloaded, yeah

I'm fired up, don't shut me down

I'm like a dream within a dream that's been decoded

I'm fired up, I'm hot, don't shut me down

I'm not the one you knew, I'm now, and then combined

And I'm asking you to have an open mind (and I won't be the same)

I'm not the same this time around (ooh)

I'm fired up, don't shut me down

And now you see another me, I've been reloaded, yeah

I'm fired up, don't shut me down (don't shut me down)

I'm like a dream, within a dream, that's been decoded

I'm fired up, I'm hot, don't shut me down

I am not the one you knew (I'm not the one you knew)

I'm now, and then combined

And I'm asking you to have an open mind (now, I'll not be the same)

I'm not the same this time around (ooh)

I'm fired up, don't shut me down.

Anybody could be that guy

Night is young and the music's high

With a bit of rock music

Everything is fine

You're in the mood for a dance

And when you get the chance

You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah<sup>2</sup>

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

You can dance You can jive

Having the time of your life Ooh, see that girl

Watch that scene Digging the dancing queen
